"Trust in The Lord"

The wise man Solomon declared in Proverbs 3:5, "Trust in the LORD with all thine heart; and lean not unto thine own understanding." Solomon challenges the people of God to put their complete confidence in God, withholding nothing. The God who created us on purpose and for a purpose deserves our complete trust. Often in life we are faced with circumstances that are beyond our control, yet we try to control them. We have placed the trust, that should've been deposited in God, in ourselves and other people. This has made nothing better, only bitter. It is no wonder David wrote in Psalm 118:8, "It is better to trust in the LORD than to put confidence in man." We are challenged to surrender all to God. Surrender our hopes, our dreams, our trials, our tribulations, and anything else that may be weighing us down. We must put it into the loving and powerful hands of God. He has never failed us before and will not start failing us today. So, free yourself from frustration, and unload the burdens of your life. Trust God with every ounce of your being, to navigate you through this thing called life.
