“Give Me This Mountain”

The Bible reads in Joshua 14:12, “Now therefore give me this mountain, whereof the LORD spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the LORD will be with me, then I shall be able to drive them out, as the LORD said.” There are three things that immediately jump out of this text that begs our attention. Firstly, there is the Promised Inheritance. God has always given his people promises. He gives us something to look forward to; however, we must exercise obedient faith in order to obtain it. Secondly, there is the Problematic Interference. This is anyone or anything that will try to keep us from obtaining the promise. There is no success without sacrifice. There are some things in life worth fighting for. Lastly, there is the Powerful Intervention. This speaks to the powerful presence and provision of God to help us to overcome the problematic interferences that we might receive the promised inheritance. Brothers and sisters, this blessing is not just about heaven. It is also having to do with every aspect of our lives as long as we are seeking to honor our Lord and Savior Jesus Christ.
